Permits for buildings are subject to charges for public sewer & water connections and growth fees. Other fees may include, but may not be limited to, contract building plan review and City Engineer site plan fees, etc. All additional fees are due and payable with the building permit fee at time of issuance of the permit. Please consult with City staff to confirm the fees that apply to your project.

I hereby certify that I have read and examined this application and know the same to be true and correct. I hereby certify that I have been authorized by the owner to act as his agent in applying for and obtaining this permit. All provisions of laws and ordinances governing this type of work will be complied with, whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
