

## **JOB POSTING**

**Job Title:** Wastewater Maintenance Crew

**Department:** Public Works

The Public Works Dept. of Peculiar, MO is seeking applicants for the above position. Hours are M-F 8:00 to 5:00 with occasional evening and weekend work.

The primary role of the Public Works Wastewater Maintenance Crew (Wastewater Specialist) is to perform maintenance on and operate the City's wastewater collection, pumping and treatment systems under the direction of the Public Works Utility Manager. A secondary role relates to the performing maintenance on and operating the City's water lines & water supply structures.

The applicant should be able to perform the following:

- Serve as third responder to all citizen inquiries.
- Perform day-to-day maintenance operations of the WWTP and lift stations.
- Assist the Wastewater Supervisor with on-site supervision of wastewater capital projects.
- Assist the Wastewater Supervisor with major repairs on the wastewater system working with private contractors.
- Serve as third emergency contact for any wastewater system failures.

**Requirements include:** High school diploma or general education degree (GED); good mechanical knowledge, "D" Wastewater Operator's License; or equivalent combination of education and experience. Minimum two (2) years' experience in wastewater collections and operations or closely related field, skid loader & backhoe experience, and valid driver's license.

Must have good customer relations skills and be effective working with a team and on an individual basis. There will be frequent work in other PW disciplines such as water, storm sewers, streets (including snow removal), building maintenance, and special event set-up). Salary range: \$14.68 to \$19.07 per hour. Position will be open until filled.
